It's Tax Refund Season

To ensure your refund posts correctly to your Peoples State Bank account, here are a few tips:

Provide your correct Routing Number and Account Number to the IRS.

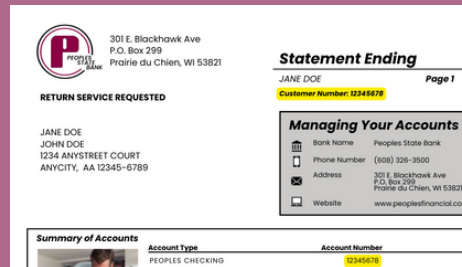

If you use a tax preparer, make sure they have the most current account information. If inaccurate information is provided, the refund will be returned to the IRS. In turn, the IRS will issue a paper check to the address listed on the tax return and can take 4-6 weeks to be received.

- **Peoples State Bank's routing number is 075908658**
- Your Account number can be found on your checks/deposit slip or on your statement:

Statement:

- Your account number is noted on your statement in the middle of the first page, which can be view through Online Banking or the OLB App.
