JANUARY 2021

MEET YOUR NEW BANK PRESIDENT

Brennen Clark, currently Senior VP of Bank Operations and CFO, has been selected by the Board of Directors as Mark Forsythe's successor. Clark, a native of Boscobel, began his career with Peoples State Bank in 2005 as a Youth Apprentice while in high school. He started working full time in 2012 following graduation from UW-LaCrosse with a degree in Finance and has served as the bank's Chief Financial Officer since 2015. Along the way, Clark earned his designation as a Chartered Financial Analyst and also completed the curriculum of the Graduate School of Banking at the University of Wisconsin. Brennen had this to say about his selection: "I am humbled at the prospect of succeeding Mark, who has done so many great things for our bank, yet I am excited to be able to work even more closely with all the great people in our organization whom I have gotten to know and greatly respect." Brennen went on to express his enthusiasm towards continuing to deepen his relationship with our local communities and the people of Southwest Wisconsin and Northeast Iowa.

Brennen spends much of his free time these days, along with his wife Kara, chasing around his young son, Graham. Together, they reside in Prairie du Chien. If an opportunity presents itself, Brennen enjoys getting outdoors and taking in the various recreational opportunities that our area offers. Please help us welcome and congratulate Brennen!
